

Earn your Forestry merit badge in one day!

Join us at Harbison State Forest's Environmental Education Center to earn your Forestry merit badge in one of two fun, hands-on, educational five-hour workshops offered in 2016.

The forest is your classroom...

forests.

In working through the Forestry merit badge requirements, Scouts will explore the remarkable complexity of a forest and identify many species of trees and plants and the roles they play in a forest's life cycle. They will also discover some of the resources forests provide to humans and come to understand that people have a very large part to play in sustaining the health of

Camping for troops and Eagle Scout projects available!

You'll prepare a field notebook, collect and identify forest trees and plants, study the principles of forest management and learn about forestry's many contributions to society and our way of life.

Please visit www.trees.sc.gov/eduwork.htm for program and registration information.
